

Help But Smile

Ali Lohan

I can't help but smile,
Every now and then.
Can't help but smile.
Again and again.
I don't think,
It's because of you.
It's just that I,
I may love you
(Ooh ooh ooh)

Helpless, like a turtle on it's back
Like a bird with no wings.
Search for an angel, from the heavens above.
Cry like a baby, baby that's loved.
Be yourself, and stay true, stay true to who you are.
Let the light, pick you up from the dark

I can't help but smile,
Every now and then.
Can't help but smile.
Again and again.
I don't think,
It's because of you.
It's just that I,
I may love you
(Ooh ooh ooh)

Frightless like a kid, in a thunderstorm.
Like a cactus, when it's not warm.
Or hot like it should, in the desert.
Or rain in the rainforest, instead of blizzard
Stay yourself, and be true to who you are
Let the light, pick you up from the dark

I can't help but smile,
Every now and then.
Can't help but smile.
Again and again.
I don't think,
It's because of you.
It's just that I,
I may love you
(Ooh ooh ooh)

I've seen you before
And I can't help.
But to wonder.
And I see myself, in the reflection of a mirror.
And I see you, and I see you, in my heart

I can't help but smile,
Every now and then.
Can't help but smile.
Again and again.
I don't think its,
Because of you.
It's just that I,

I may love you
(Ooh ooh ooh)
