

# Equal rights

Alians

Everyone is crying out for peace yes  
None is crying out for justice  
(2x)

I don't want no peace  
I need equal rights and justice(3x)  
Got to get it  
Equal rights and justice  
(CHORUS)

Everybody want to go to heaven  
But nobody want to die  
Everybody want to go to up to heaven  
But none o them(2x) want to die

CHORUS  
Just give me my share

What is due to Caesar  
You better give it on to Caesar  
And what belong to I and I  
You better(2x) give it up to I

CHORUS  
(I'm fighting for it)

Everyone heading for the top  
But tell me how far is it from the bottom  
Nobody knows but  
Everybody fighting to reach the top  
How far is it from the bottom

CHORUS

Everyone is talking about crime  
Tell me who are the criminals  
I said everybody's talking about crime, crime  
Tell me who, who are the criminals  
I really don't see them

CHORUS

There be no crime  
Equal rights and justice(Precedes each line below)  
There be no criminals  
Everyone is fighting for  
Palestine is fighting for  
Down in Angola  
Down in Botswana  
Down in Zimbabwe  
Down in Rhodesia  
Right here in Jamaica
