

Give Me A Reason To Stay

Alias

I could walk on and tell myself there's no room for you in my life
Pretend there's nothing left inside, just throw us away
But I still believe, if you'd ask I'd walk into the fire for you, uh

Don't wanna leave you here like this
I'll keep holding on if there's something left

I'm willing to lay my heart in town
Give me a reason to stay
It wouldn't take much to turn me around
And stop me from leaving, give me a reason to stay

Just say the word I could surely stand a little compromised
Just reach up to me with your eyes, I'll meet you halfway
Give me some little sign, show me there's some hope or love inside your heart

What could it hurt to try again
Won't it hurt more if we let it end

I'm willing to lay my heart in town
Give me a reason to stay
It wouldn't take much to turn me around
And stop me from leaving, give me a reason to stay

You have it in your hands to keep me here
To stop before we go too far
All you have to do is talk to me
If it's not too late, look into my heart

I'm willing
Don't need very much from you
I'm willing
What I'm trying to say to you
