Big Apple Dreamin' (Hippo)

Alice Cooper

We're so young and pretty, we're so young and clean So many things that we have never seen Let's move from Ohio, sell this dam' old store Big Apple dreamin' on a wooden floor

Skyscrapers and subways and stations Staring up at the United Nations

New York is waiting for you and me, baby Waiting to swallow us down New York, we're coming to see what you're made of Are you as great as you sound

Heard about them massages, and all those dirty shows I read somewhere some places never close While we waste time on yokels, comin' through the door Big Apple dreamin' on a wooden floor

Skyscrapers and subways and stations Staring up at the United Nations

New York is waiting for you and me, baby Waiting to swallow us down New York, we're coming to see what you're made of Are you as great as you sound

New York is waiting for you and me, baby Waiting to swallow us down New York, we're coming to see what you're made of Are you as tough as you sound

Oh, New York is waiting for you and me, baby Waiting to swallow us down, whoo-oo New York, we're coming, to see what you're made of Are you as tough as you sound

Yeah, New York is waiting, baby Waiting to swallow us down, New York, we're coming, see what you're made of You can't be as tough as you sound

Oh, New York, you and me, baby Waiting to swallow us down, New York, we're coming see what you're made of Are you as great as you sound

Oh, New York, Oh, New York we're coming Oh, we're coming to see what you're made of Oh, you can't be as tough as you sound Me and my baby, we're coming Oh, we're coming

They're waiting for you and me, baby Oh... (Fading out dialog?)
