

Gail

Alice Cooper

A tree has grown on the spot
Where her body did rest
Blood seeped in the soil
From the knife in her chest

The bugs serve time in her skeletal jail
I wonder how the bugs remember Gail

Oh, what a lovely young girl
Everybody would say
You can still hear her laugh
In the shadows on a cold winter day

A dog dug up a bone and wagged his tail
I wonder how the dog.. remembers Gail

The bugs serve time in her skeletal jail
I wonder how that I'll remember Gail
