## I Love the Dead/Go to Hell/Wish You Were Here

## **Alice Cooper**

I Love The Dead

love the dead before they're cold
They're bluing flesh for me to hold
Cadaver eyes upon me see nothing
I love the dead before they rise
No farewells, no goodbyes
I never knew your rotting face
While friends and lovers mourn your silly grave
I have other uses for you, Darling
We love the dead
We love the dead, Yeah

Go To Hell

For criminal acts and violence on the stage For being a brat Refusing to act your age For all of the decent citizens you've enraged You can go to Hell For gambling and drinking alcohol constantly For making us doubt our parents authority For choosing to be a living obscenity You can go to Hell You're something that never should have happened You even make your Grandma sick You'd poison a blind man's dog and steal his cane You'd gift wrap a leper And mail him to your Aunt Jane You'd even force-feed a diabetic a candy cane You can go to Hell You're something that never should have happened You even make your Grandma sick For criminal acts and violence on the stage For being a brat Refusing to act your age For all of the decent citizens you've enraged You can go to Hell

Wish You Were Here

I sent you a postcard
Thought it would be funny
Would have sent a souvenir
But they took all my money
It's pretty warm down here but it ain't sunny
And I'm having a Hell of a time, my dear
Wish you were here
I tried to call you
I tried to call you
Long distance operators that only stall you
Besides the damn rates are so high
They just appall you
And I'm having a Hell of time, my dear
Wish you were here

And I'm having a Hell of time, my dear Wish you were here It started out on a nice vacation Left the station right on time Now it's turned to near frustration I'm just a prisoner in time Can't get a ticket to get me home, my dear And I'm having a Hell of time, my dear Wish you were here Having a Hell of time, my dear Wish you were here Having a Hell of time, my dear Wish you were here Seeing all the sights here I'm getting lonely I'd show you all the film I took if they would only get ley me go home Dear, sincerely I'm having a Hell of time, my dear Wish you were here I'm having a Hell of time, my dear Wish you were here I'm having a Hell of time, my dear Wish you were here I'm having a Hell of time, my dear Wish you were here I'm having a Hell of time, my dear Wish you were here I'm having a Hell of time, my dear Wish you were here
