

Man with the Golden Gun

Alice Cooper

The man
With the golden gun
Is waiting
Somewhere
Out there
For you

But you'll never see him
He'll be looking for you

Demand
For the golden gun
It's high priced
Precise
And true

But you'll never see him
He'll be looking for you

The man with the golden
Gun in his pocket, oh, oh
The man with the golden
Gun in his case, oh, oh
The man with the golden
Gun in your face

But you'll never see him
He'll be looking for you
You better believe
He'll be looking for you

He-e-e-e-e-e's
The man with the golden
Gun in his pocket
The man with the golden
Gun in his case
The man with the golden
Gun in his pocket
The man with the golden
Gun in your face

But you'll never see him
He'll be looking for you
You better believe
He'll be looking for yo-ou

He-e-e-e-e-e's
The man with the golden
Gun in his pocket
The man with the golden
Gun in his case
The man with the golden
Gun in his pocket
The man with the golden
Gun in your face

The man with the go-o-olden

Gun in his pocket
The man with the go-o-lden
Gun in his case
The man who gave you the golden gun
