

Mr. and Misdemeanor

Alice Cooper

Mr and Misdemeanor
Middle of the roaders
Set beside the ocean
Landscapes alive agoshin'
Who put all of this in motion

Lucky Luciano
Kenneth Pasarelli
You take the modern mosquito
To every big city
I sit beside Misdemeanor
Here's new pretties for you

Nobody likes me, but we adore you
Da da d-da da, yeah yeah yeah yeah

(Cheers)

Nasty Misdemeanor
Kickin' in the windows
Parked beside the ocean
Landscapes alive agoshin'
Who put all of this in motion
Da da d-da da, yeah yeah yeah yeah
