

Only Women Bleed

Alice Cooper

Man's got his woman to take his seed
He's got the power - oh
She's got the need
She spends her life through pleasing up her man
She feeds him dinner or anything she can

She cries alone at night too often
He smokes and drinks and don't come home at all
Only women bleed
Only women bleed
Only women bleed

Man makes your hair gray
He's your life's mistake
All you're really lookin' for is an even break

He lies right at you
You know you hate this game
He slaps you once in a while and you live and love in pain

She cries alone at night too often
He smokes and drinks and don't come home at all
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed

Black eyes all of the time
Don't spend a dime
Clean up this grime
And you there down on your knees begging me please come
Watch me bleed

Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
