

# Shoe Salesman

Alice Cooper

I know a shoe salesman  
He's an acquaintance of mine  
One day he showed me some  
Marks on his arms in a line  
I did not know what to say  
"Do you think those freckles will stay?"

I need a popsicle  
Do you want lemon or lime  
I've got a special today  
If you've got the time  
Winking, she poked me in the side  
"Well, we could go for a ride"

I did not know what to say  
"Do you think those freckles will stay?"  
Ha

Well, you think she will see, yeah  
I don't think she will see

Hey, Yeah..
