I'm a little tired and feeling hazy
I just need to rest my eyes
But I won't go to sleep because it's crazy
What happens to me in the night
'Cause when I go to deep into my slumber
Ugly faces, awful places I don't want to go, no

"All aboard, watch your step people
Last call for the nightmare express
I found myself slipping away
Just this side of dead
I woke up in a box car
I wasn't in my bed

I found my leg chained to a spike
That ran down through the floor
Attached to thirteen angry men
All rotten to the core
But I'm innocent I cried right out
I'm in someone else's dream

They looked around and laughed out loud Said, "Brother, so are we"

"Yeah brother, so are we"

But I'm a big celebrity

Known all round the land

"Well buddy you ain't no one here

Man, you ain't in demand"

Speeding towards a flaming wall Like a screaming sonic boom I really gotta wake up now Or I may meet my doom oh lord, I may meet my doom So all that I remember

Is how much my body hurt

Now I'm sleeping in the graveyard

On the wrong side of the dirt

Yeah I'm on the wrong side of the dirt

Wrong side of the dirt, don't you know

I'm on the wrong side of the dirt
