I Can See (See It in Your Eyes)

I can see it in your eyes (eyes)

I can see, see it in your eyes I can feel, yes it feels so nice I can tell, my love is strong Touch me now you are the one

I can see, see it in your eyes I can feel, yes it feels so nice I can tell, I love you Over & over & over again

I can see, see it in your eyes I can feel, yes it feels so nice I can tell, my love is strong Touch me now you are the one

I can see, see it in your eyes I can feel, yes it feels so nice I can tell, I love you Over & over & over & over (& over)

Whatever makes you happy Whatever makes you cry Whatever it takes to hold you My dream is still alive

Everytime I see you laughin' Everytime you're passin' by Everytime I hear you talkin' I'm feelin' something in the sky

I can see, see it in your eyes I can feel, yes it feels so nice I can tell, my love is strong Touch me now you are the one

I can see, see it in your eyes I can feel, yes it feels so nice I can tell, I love you Over & over & over (& over)

Whatever makes you happy Whatever makes you cry Whatever it takes to hold you My dream is still alive

Everytime I see you laughin' Everytime your passin' by Everytime I hear you talkin' I'm feelin' something in the sky

I can see it in your eyes (eyes)
