

Mother Of Christ

Alice Donut

No.

Feeling..Buxom.

Feeling...Buxom.

Feeling...nice.

Nice.

It's inside of me

Mother of Christ.

I want to feel what Mary felt.(Mother of Christ)

I want to feel what Mary felt, (Mother of Christ)

When God spent his seed.

No.

Feeling..fertile.

Feeling...immaculate.

Feeling...nice.

Nice.

It's inside of me

Mother of Christ.

I want to feel the Messiah's head .(Mother of Christ)

Against my confused virgin breast (Mother of Christ)

I want to lactate sin free.

Mother of Christ.

Why does it sound so ugly?(Mother of Christ)

Why does it sound so ugly (Mother of Christ)

when I say what I feel?

And I see the angel's mighty sheath.

And I feel the earth and heavens spread.

And I see the skewered burning pit.

And I feel the nugget of the seed.

I'm the earth mother.

I'm the virgin mother.

Primordial mother.

The virgin mother.

And I feel the womb envy within.

And I feel the holy conception.

And I hear the groans of the damned.

And I see the hymens ripped with sin.

I'm the earth mother.

The virgin mother.

Primordial ooze.
