

## Lay Me Down

Alice in Videoland

Want you here with me next to me  
In my bed  
That's all I want from you  
I don't want you to fuck  
With my head

Let me lay with you  
Play with you  
Do what I say  
Want you now but I sure as hell

Don't need you to stay

Down (below)  
Friday night I let you know  
Lay me down (below)  
Saturday I take you home  
Lay me down (below)  
Sunday I want you to go  
(Lay me down now)
