

3 Hour Drive

Alicia Keys

You give me
You give me life
You give me

Three hour drive, I'm headin' nowhere
I've got the time now that you're not here
I keep travelin' by, travelin' by
Lookin' for love, you got me lookin' for love

And I can't deny
As hard as I try
That you give me life
You give me life

And I can't deny
As hard as I try
That you give me life
You give me life

Three hour drive and I'm headin' nowhere
I've got the time now that you're not here
I keep travelin' by, keep travelin' by
Lookin' for love, you got me lookin' for love

I can't deny
As hard as I try
That you give me life
You give me life

I can't deny
As hard as I try
That you give me life
You give me life

I can't deny, I can't deny
As hard as I try, hard as I try
That you give me life, that you give me life
You give me life, you give me life

Well, I can't deny, I can't deny
As hard as I try, as hard as I try
That you give me life, that you give me life
You give me life, you give me life

Heart on my sleeve
Know you, know me
It's more than I can take
Down on my knees
Come back to me
It's more than I can take

Heart on my sleeve
Know you, know me
It's more than I can take
Down on my knees, my love
It's more than I can take

You give me
You give me life
You give me
