Kiss on me, kiss on me
Kiss on me in the daytime
In front of the whole show
So they can all know
I want you to love on me, love on me
Love on me in the daytime
Like you do at bedtime
So they can all know
Show off for love
Go off for love
'Cause the world needs love
Don't we all know?
I want you to love on me, love on me
Love on me in the daytime
Like you do at bedtime
So they can all know

La-la-la, la-la-la
La-la-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la
La-la-la
La-la-la-la-la-la-la-la-la

Kiss on me, kiss on me
Kiss on me in the daytime
Yeah, the whole show
So they can all know
I want you to love on me, love on me
Love on me in the daytime
Like you do at bedtime
So they can all know
Show off for love
Go off for love
'Cause the world needs love
Don't we all know?
I want you to love on me, love on me
Love on me in the daytime
Like you do at bedtime
So they can all know

Ooh, when you are righteously loving somebody
And that somebody is righteously loving you too
It's a vibration
That everybody everywhere
Can't help but receive
It's entrancing
It's a goodness
Luminousness
Victorious energy
Come on, let's let 'em see

I want you to kiss on me, kiss on me
Kiss on me in the daytime
In front of the whole show
The whole world knows
I want you to love on me, love on me
Love on me in the daytime

Like you do at bedtime
Give a front row
Show off for love (La-la-la-la-la-la-la-la)
Go off for love (La-la-la-la-la-la-la-la)
'Cause the world needs love
Don't we all know?
So come on and love on me, love on me
Love on me in the daytime
Like you do at bedtime
So they can all know
