

Listen to Your Heart

Alicia Keys

He says, have no fear
Open up, let me in
He says, take a chance
Here's your song, time to dance

What you gonna do, when it comes for you

Listen to your heart
You gotta listen, to your heart
Listen to your heart
Why don't you listen to your heart

He says, here's your sky, don't look down
We can fly
You say, you little biscuit
Just hold on, almost there

What you gonna do, when it comes for you

Listen to your heart
You gotta listen, to your heart
Listen to your heart
Why don't you listen to your heart

You never know until you try
Why so scared, when hearts don't lie
Turn off the world, and close your eyes
Lose yourself, and

Listen to your heart
You gotta listen, to your heart
Listen to your heart
Why don't you listen to your heart

You know what to do when it comes for you

You gotta listen baby
Gotta listen baby gotta listen baby
Gotta listen to it
How can you hear it
Gotta listen baby
