Nobody Not Really

Who really cares? Who really cares? When I talk? What I feel? What I say? Nobody not really

Who wants to take The time to understand I would like someone to hear me with some empathy But I can't find... Nobody not really

Maybe I'm invisible to the world Does anyone in the world even think of me? As more than just a hopeless cause Maybe the world is not my block

My stoop My life My dreams My anything, anything

Who wants to help? Mama, but she's so tired Papa, but you're not here I'm alone in a big empty space with Nobody not really **Alicia Keys**
