

# Show Me Love

Alicia Keys

Show me love  
Treat it like we freakin' on the weekend, show me love  
I eat up the seconds, times, and reasons for your love  
This is not the season for nobody else but us  
I always get wrapped up in you baby, I'm in love  
We gon' get this lovin', like we never done it, baby, I'm in love  
Go ahead, show me love like we never done it  
Oh, I got you running every time I give you some  
Show me love, love  
Show me love, love

Show me love like you see red lights  
And you've crashed in it like a deer inside a headlights

Yeah, I show you love like it was passionate  
I just want to bask in it  
Winning it like a championship

You gon' show me love like  
Like you tried it and denied it  
But you still let me apply it  
Like I made you put your ties in  
Show me love  
Even when you don't got time to

I'll be there to find ya, I'll remind ya

Show me love  
Treat it like we freakin' on the weekend, show me love

I eat up the seconds, times, and reasons for your love  
This is not the season for nobody else but us  
I always get wrapped up in you baby, I'm in love  
We gon' get this lovin', like we never done it, baby, I'm in love  
Go ahead show me love like we never done it  
Oh I got you running every time I give you some  
Show me love, love  
Show me love, love

You know what it is  
You know what it is  
Baby  
You know what it is  
You know what it is  
You gon' show me what it means to love  
You gon' show me what it means to love

Show me love  
Treat it like we freakin' on the weekend, show me love  
I eat up the seconds, times, and minutes for your love  
This is not the season for nobody else but us  
I always get wrapped up, baby, baby, I'm in love  
We gon get this lovin', like we never done it, baby, I'm in love  
Go ahead show me love like we never done it  
Yeah, I got you running every time I give you some (Yeah)
