

# So Done

Alicia Keys

'Cause I'm so, so done  
Guarding my tongue,  
Holding me back  
I'm living the way that I want  
'Cause I'm so, so done  
Fighting myself  
Going through hell  
I'm living the way that I want  
I'm living the way that I want

I'm living the way that I want  
I'm living the way that I want

I'm living the way that I want

I lost control over all my energy  
Done so much damage to my heart  
I've given in, I've changed my identity  
I didn't mean to go so far

Oh my God  
I wish  
I could be  
Better than this  
My God, wish  
I could be

'Cause I'm so, so done (so done, so done)  
Guarding my tongue,  
Holding me back  
I'm living the way that I want (I want)

'Cause I'm so, so done (so done)  
Fighting myself  
Going through hell  
I'm living the way that I want (I want)  
I'm living the way that I want (I want)  
I'm living the way that I want (I want)  
I'm living the way that I want (I want)

I'm living the way that I want

Living the way  
On a high  
Connecting the way  
I don't know

People keep changing  
Faces why I'm so jaded  
Face it I think I'm fading  
Taking back, no

Oh my God  
I wish  
I could be  
Better than this  
My God, wish

I could be

'Cause I'm so, so done (so done, so done)  
Guarding my tongue,  
Holding me back  
I'm living the way that I want (I want)

'Cause I'm so, so done (so done)  
Fighting myself  
Going through hell  
I'm living the way that I want  
I'm living the way that I want  
I'm living the way that I want  
I'm living the way that I want

I'm living the way that I want
