

# When You Really Love Someone

Alicia Keys

I'm a woman  
Lord knows it's hard  
I need a real man to give me what I need  
Sweet attention, love and tenderness  
When it's real, its unconditional, I'm telling ya'll  
Cause a man just ain't a man if he ain't man enough

To love you when you're right  
Love you when you're wrong  
Love you when you're weak  
Love you when you're strong  
Take you higher when the world got you feeling low  
He's giving you his last, cause he's thinking of you first  
Giving comfort when he's thinking that you're hurt  
That's what's done when you really love someone  
I'm telling ya'll, I'm telling ya'll

Cause you're a real man  
And Lord knows it's hard  
Sometimes you just need a woman's touch  
Sweet affection, love and support  
When it's real its unconditional  
I'm telling ya'll, oh  
Cause a woman ain't a woman if she ain't woman enough

To love you when you're right  
Love you when you're wrong  
Love you when you're weak  
Love you when you're strong  
Take you higher when the world got you feeling low  
She's giving you her best, even when you're at your worse  
Giving comfort when she's thinking that you're hurt  
That's what's done when you really love someone  
I'm telling ya'll, I'm telling ya'll  
Ooh, ooh, ooh, ooh

Sometimes you're gonna argue, sometimes you're gonna fight  
Sometimes it's gonna feel like it'll never be right  
But something so strong keeps you hold'n on  
It don't make sense but it makes a good song  
Cause a man just ain't a man if he ain't man enough

To love you when you're right  
Love you when you're wrong  
Love you when you're weak  
Love you when you're strong (Love when you when you're strong)  
(Take you high'a) when the world got you feeling low  
He's giving you his last, cause he's thinking of you first  
Giving comfort when he's thinking that you're hurt  
That's what's done when you really love someone  
I'm telling ya'll, I'm telling ya'll

I'm telling ya'll that a woman ain't a woman if she ain't woman enough  
(To love ya!)  
Love you when you're right  
Love you when you're wrong  
(To hold ya!)

Love you when you're weak  
Love you when you're strong  
Take you higher and higher  
when the world got you feeling low  
She's giving you her best, even when you're at your worse  
(even when you're at your worst, BABYBA!)  
Giving comfort when she's thinking that you're hurt  
That's what's done when you really love someone  
I'm telling ya'll, I'm telling ya'll  
Mm, mm, yeah (4x)
