

## Affected By You Not

Alisha's Attic

Here I am, comfortably here  
All you other angels, you should feel inferior  
Picture me affected by you not  
Perhaps you'd like to fire a few desperate words  
Of aggression, yeah  
I'm affected by you not  
Perhaps you'd like to take the world out on me  
It's a fashion, yeah  
I'm affected by you not  
Here I stand, open and relaxed  
While you push and prod and think you're gonna bruise this girl

All I am is exhausted by the bitterness  
There you go, show another great lack  
Of compassion, yeah  
I'm affected by you not  
Anybody tell you, it's rude to abuse  
Someone's passion, yeah  
I'm affected by you, no, I'm not

I'm affected by you, no, I'm not
