

## She's A Heroine

Alisha's Attic

She's eccentric  
Bad behaviour  
Boys fall like flies  
She's a stimulator  
And I admire her... cheekbones  
She wears a tiara  
And lots of mascara  
Generating excitement in the male  
She's a heroine  
She's a heroine  
She's a heroine  
Feline on the prowl, yeah  
She's a heroine  
She's a heroine  
She's a heroine  
Feline on the prowl, yeah  
Yeah  
Yeah
