

# When U Coming Home?

Alisha's Attic

Boo be doo, boo be doo, boo dah  
Boo be doo, boo be doo, boo dah

So I imagine your mouth when it moves  
Carry on when my mind is wandering  
I'm having a cute little moment  
A rarity these days  
And I purr in the small of the night  
I wake up all alone  
I might believe every line that you feed me  
'Cause I'm hungry and I miss you

When you coming home?  
Boo be doo, boo be doo, boo dah  
Baby, when you coming home?  
Boo be doo, boo be doo, boo dah  
When you coming home?  
Boo be doo, boo be doo, boo dah  
Baby, when you coming home?  
Boo be doo, boo be doo, boo dah

And so I lay back my head for an hour  
I'm human at the weekend  
So I'll have me a cute little moment  
The same without a man  
So don't take your eyes off the prize  
'Cause what I've seen with my eyes of green  
Makes me a good little catch for a taker  
But I'm taken, and I miss you

When you coming home?  
Boo be doo, boo be doo, boo dah  
Baby, when you coming home?  
Boo be doo, boo be doo, boo dah  
Yeah you coming home?  
Boo be doo, boo be doo, boo dah  
Baby, when you coming home?  
Boo be doo, boo be doo, boo dah

So don't tell me next week  
Don't say an hour  
Don't say Monday, Tuesday  
Wednesday, Thursday, Friday  
Just tell me now  
So don't tell me next week  
Don't say an hour  
Don't say Monday, Tuesday  
Wednesday, Thursday, Friday  
Just tell me now

When you coming home?  
Boo be doo, boo be doo, boo dah  
Baby, when you coming home?  
Boo be doo, boo be doo, boo dah  
Yeah, when you coming home?  
Boo be doo, boo be doo, boo dah  
Baby, when you coming home?

Boo be doo, boo be doo, boo dah  
When you coming home?  
Boo be doo, boo be doo, boo dah  
When you coming home?  
Boo be doo, boo be doo, boo dah
