

## Shield Of Faith

Alison Krauss

Sometimes I'm battle weary  
I forget to use my shield  
The arrows pierce my armor  
And I stumble in the field

A shield won't do much good  
If it's hangin' by your side  
Keep the shield of faith before you  
If you want to stay alive

I'll think my life is over  
But the Lord he comes to me  
He heals my wounded spirit  
And he sets me on my feet

A shield won't do much good  
If it's hangin' by your side  
Keep the shield of faith before you  
If you want to stay alive

Sometimes you're battle weary  
But the war's already won  
Keep your head and hold your shield high  
'Til your days of life are done

A shield won't do much good  
If it's hangin' by your side  
Keep the shield of faith before you  
If you want to stay alive

Keep the shield of faith before you  
If you want to stay alive
