Esmi
Looking for paradise
H F# C#
Is always on my mind

Esmi
Morning light shining right
H F# C#
Sing me a lullaby

Oh! Baby come to me
Bring back simplicity
I'm here, you see !
So why hang on to me ?
Just write me poetry
If you're okey dokey !

Esmi H
Get up and start to smile, guy
F# C#
Do it for me
Wake up, I'll come around man
Let's do "boogie-woogie"

Esmi
It's not even a game
H
Get over your pain
F# C#
I'm not twenty
Not even ashamed
Could we celebrate
Cause' I'm not twenty

And life goes on and on
I go as I come
Melodie de vie
I fly all alone
A light little stone
You get old at twenty
And I want to be free !

Oh! Baby baby mine
You're always on my mind
Having fun is just fine
Your love, I shall deny

Falling for me, indeed
Is diving in someone's need
Love is too strong !
I've fallen into me
And freedom's ecstasy !
You can never go wrong !
