

Kiss You To Death

Alkaline Trio

Taking a ride down to your place
I'll be dropping by tonight
You'll hear me coming from miles away
Screaming banshees haunting my motorbike

Taking a ride down to your place
Dropping by in just a little while
And I don't care if we fuck or we talk or we cry
I just miss you, I wanna kiss you to death tonight
Ooh oh oh oh kiss you to death tonight
Ooh oh oh oh kiss you to death tonight

Taking a ride down to your place
I haven't seen you in a while
I miss taking out the trash, I miss your face
I miss your cat, I miss your smile
I wanna kiss you to death tonight
Ooh oh oh oh kiss you to death tonight
Ooh oh oh oh kiss you to death tonight

Woah oh oh oh you're in my heart
You're in my skull. You're in my blood
You're in my bones
Ooh oh oh oh you're in my heart
You're in my skull. You're in my blood
You're in my bones ya

Kiss you to death tonight
Kiss you to death tonight
Kiss you to death tonight
Kiss you to death tonight
