

## These Arms

All 4 One

I hear the sound of you heart beating  
Don't say a word i know what you're feeling  
Just hold me close, don't be afraid  
These arms won't let your heart break

Just ask me girl - oh i surrender  
I'll make love to you-so soft and tender  
I promise you with every breath i take  
These arms won't let your heart break

These eyes will worship you and adore you  
These hands will love you every day  
Darlin' the only guarantee i can make  
These arms won't let your heart break

Your wish is my command i'm right here for you  
Just take my hand i'll love you like you want me to  
One thing for sure make no mistakes  
My arms won't let your heart break
