I hear the sound of you heart beating Don't say a word i know what you're feeling Just hold me close, don't be afraid These arms won't let your heart break

Just ask me girl - oh i surrender
I'll make love to you-so soft and tender
I promise you with every breath i take
These arms won't let your heart break

These eyes will worship you and adore you These hands will love you every day Darlin' the only guarantee i can make These arms won't let your heart break

Your wish is my command i'm right here for you

Just take my hand i'll love you like you want me to

One thing for sure make no mistakes

My arms won't let your heart break
