

## Trainers In Love

ALL CAPS

I thought I'd find you here  
You've got your six in your pocket and you're full of fear  
This will happen tonight  
I've been looking for you and we came here to fight

It's you and me  
It's time for a show  
Starmie will win  
Pikachu let's go!

I'm taking you down 'caus I know I can  
I've been training all year and I've got a plan

I'll never admit  
I think you look great  
It's a Pokemon Battle it's not a date

I'm not going to falter  
By how you make me feel  
There's time for flirting while your Pokemon heal

So let's get this started  
Before you back out  
I'm going to show you what training's about

You can still disband  
My team is tough and you know I'd understand  
I'm not moving an inch  
I'm going to destroy you  
And I won't even flinch

It's you and me  
It's time for a show  
Starmie will win  
Pikachu let's go!

I'm taking you down 'caus I know I can  
I've been training all year and I've got a plan

I'll never admit  
I think you look great  
It's a Pokemon Battle it's not a date

I'm not going to falter  
By how you make me feel  
There's time for flirting while your Pokemon heal

So let's get this started,  
Before you back out  
I'm going to show you what training's about.

If I win this match.  
I'll have my victory

If I win this match,  
Will you go out with me?

If I win this match  
I'll have my victory

If I win this match  
Will you go out with me, Misty?

I'm taking you down 'caus I know I can  
I've been training all year and I've got a plan

I'll never admit  
I think you look great  
It's a Pokemon Battle it's not a date

I'm not going to falter  
By how you make me feel  
There's time for flirting while your Pokemon heal

So let's get this started  
Before you back out  
I'm going to show you what training's about
