

All Praise to You

All Sons & Daughters

Though the world could not contain Your holiness
You made a way, You made the way
The veil was torn and we stand before You now
In Your glory we're amazed, by Your glory we're amazed

All glory, all honor, all praise to You
All glory, all honor, all praise to You

By the blood of Christ our lives been renewed
Redeemed and holy now, we're redeemed and holy now
With hearts on fire Lord, You dwell inside of us
In Your glory we're amazed, by Your glory we're amazed

All glory, all honor, all praise to You
All glory, all honor, all praise to You

Hear our cries Lord
Come shake these walls
Rattle the steeples
Lord we are Your people

All glory, all honor
All praise, all praise to You

All glory, all honor, all praise to You
All glory, all honor, all praise to You
