

God with Us

All Sons & Daughters

You've come to bring peace
To be love, to be nearer to us
You've come to breathe life
To be light, to shine brighter in us

Oh Emmanuel God with us

Our Deliverer
You are Savior
In Your presence
We find our strength
Over everything
Our redemption
God with us
You are God with us

You've come to be hope
To this world
For Your honor and name
You've come to take sin
To bear shame
And to conquer the grave

Oh Emmanuel, oh God with us

Our Deliverer
You are Savior
In Your presence
We find our strength
Over everything
Our redemption
God with us
You are God with us

You are here
You are holy
We are standing
In Your glory
[x4]

Our Deliverer
You are Savior
In Your presence
We find our strength
Over everything
Our redemption
God with us

Our Deliverer
You are Savior
In Your presence
We find our strength
Over everything
Our redemption
God with us
You are God with us
You are God with us

You are God with us
