

Wake Up

All Sons & Daughters

We have seen the pain
That shaped our hearts
And in our shame
We're still breathing, 'cause

We have seen the hope
Of Your healing
Rising from our souls
Is the feeling
We are drawing close
Your light is shining through

So wake up, wake up,
Wake up all you sleepers
Stand up, stand up
Stand up all you dreamers
Hands up, hands up
Hands up all believers
Take up your cross, carry it on

All that You reveal
With light in us
Will come to life
And start breathing, 'cause

We have seen the hope
Of Your healing
Rising from our souls
Is the feeling
We are drawing close
Your light is shining through

So wake up, wake up,
Wake up all you sleepers
Stand up, oh stand up
Stand up all you dreamers
Hands up, oh hands up
Hands up all believers
Take up your cross, carry it on

Here we stand, our hearts are Yours
Not our will, but Yours be done

So wake up, wake up, wake up
Wake up all you sleepers
Stand up, oh stand up
Stand up all you dreamers
Hands up, oh hands up
Hands up all believers
Take up your cross, carry it on

Here we stand, our hearts are Yours
Not our will, but Yours be done
[Repeat until the end]
