

You Are Love & Love Alone

All Sons & Daughters

God and Father, great and holy
Fearing not, we come to Thee
Fearing not, though weak lowly
For Your love has set us free

And by the blue sky bending over
By the green earth's flowery home
Teach us Lord the angel chorus
You are Love and love alone!

You are Love and love alone
You are Love and love alone
You are Love and love alone
You are

Though the worlds in flame should perish
Sun and stars in ruin fall
Trust in Thee our hearts should cherish
Oh Lord be our all in all

With Your name the heavens praising
Angels hymn no sweeter tone
Than the songs our hearts are raising
You are Love and love alone

You are Love and love alone
You are Love and love alone
You are Love and love alone
You are
[x2]

How perfectly
Our hearts are made for love
How perfectly
Our hearts are made for love
How perfectly
Our hearts are made for love

You are Love and love alone
You are Love and love alone
You are Love and love alone
You are

You are Love and love alone
You are Love and love alone
You are Love and love alone
You are

Oh oh, oh oh [?]
Oh, You are
You are, You are
