

# Time-Bomb

All Time Low

From the get-go I knew this was hard to hold  
Like a crash the whole thing spun out of control  
Oh, on a wire, we were dancing  
Two kids, no consequences  
Pull the trigger, without thinking  
There's only one way down this road

It was like a time bomb set into motion  
We knew that we were destined to explode  
And if I have to pull you out of the wreckage  
You know I'm never gonna let you go  
We're like a time bomb  
Gonna lose it, let's defuse it  
Baby, we're like a time bomb  
But I need it  
Wouldn't have it any other way

Well there's no way out of this  
So let's stay in  
Every storm that comes,  
Also comes to an end.  
Oh, resistance is useless  
Just two kids stupid and fearless  
Like a bullet shooting the love-sick  
There's only one way down this road

It was like a time bomb set into motion  
We knew that we were destined to explode  
And if I have to pull you out of the wreckage  
You know I'm never gonna let you go  
We're like a time bomb  
Gonna lose it, let's defuse it  
Baby, we're like a time bomb  
But I need it  
Wouldn't have it any other way

Got my heart in your hands, like a time bomb ticking  
It goes off, we start again  
When it breaks, we fix it  
Got your heart in my hands, like a time bomb ticking  
We should know better,  
But we won't let go

It was like a time bomb set into motion  
We knew that we were destined to explode (destined to explode)  
And if I have to pull you out of the wreckage  
You know I'm never gonna let you let me go  
Like a time bomb  
Gonna lose it, let's defuse it  
Baby we're like a time bomb  
But I need it  
Wouldn't have it any other way
