

# Guilty

All

I know I suck already  
You don't even have to tell me  
I'm guilty  
I feel guilty all the time

I did everything you thought  
I only stopped cause I got caught  
And I'm guilty  
I feel guilty all the time

She's leavin' today  
There's no other way  
No need for me to say what was on my mind  
Everything I've done has been a waste of our time  
I'm just guilty  
I'm guilty

Your going to leave me when you hear this song  
I've been lying to you all along  
And I'm guilty  
I feel guilty all the time

Your innocent and I'm in shame  
I don't even remember their names  
And I'm guilty  
I feel guilty all the time

She's leaving today  
There's no other way  
To keep her from crying all the time  
All the lies are what made it a crime  
I'm just guilty  
I'm guilty

What's done is done  
I don't want to defend myself  
This time it's all my fault  
You say you've lost all respect  
Cause I've gone against everything I've said

I'll probably end up dead and alone  
Drove away the coolest girl I've ever known  
I'm guilty  
I feel guilty all the time

She's leavin today  
There's no other way  
No need for me to say what was on my mind  
Everything I've done has been a waste of our time  
I'm just guilty  
I'm guilty  
I feel guilty  
I'm guilty
