

To Arms

Allele

Stoned, awakened by sight
A vision like, eyes under water
A change, of how I walk forth
Beside the Lion, because I want the world to see just how I found,
That you're weak and cowardess
FIGHT!

[Chorus:]
When hope is lost, and I'm still here
When no one else will stand and fight
And no one seems to care
Don't let the sky come down
Cause I'm still here
Throw your fists up, make them see it
Face to face, to arms

Denied, what helps you take flight
Pulled back to the ground, held under water
Left in a dark, cold and drowning sleep
Waiting for a nights feed, to wake and find what it means to be
a
KILLER!

[Chorus:]
When hope is lost, and I'm still here
When no one else will stand and fight
And no one seems to care
Don't let the sky come down
Cause I'm still here
Throw your fists up, make them see it
Face to face, to arms
TO ARMS
