

# Consider Me

Allen Stone

If you're looking for somebody who  
Will love you through the night  
And be there in the morning with  
The same look in their eyes  
If you're looking for somebody who  
Will listen to your thoughts  
And understand the way you feel  
With no words at all

If you need appreciation  
Without compensation  
Someone to give you what you need  
If you're looking for some magic  
That will not end tragic  
Darling all I ask is you consider me

Consider me  
Consider me  
Consider me  
Won't you consider me

Consider me  
Consider me  
Consider me  
Won't you consider me

If you're looking for somebody who  
Don't judge you from your past  
And focuses on only things  
That help to make it last  
If you're looking for somebody who  
Will put up with your shit  
Can fight fire with fire  
Without burning you a bit

Oh if you want real attraction  
Beyond this skin we fashion  
Someone to set your spirit free  
Someone that you're obsessed with  
And that you feel blessed with  
Baby all I ask is you consider me

Consider me (Won't you consider me)  
Consider me (Won't you consider me)  
Consider me (Won't you consider me)  
Won't you consider me

Consider me (Won't you consider me)  
Consider me (Won't you consider me)  
Consider me (Won't you consider me)  
Won't you consider me

Ooh baby don't delay it (Won't you consider me)  
I'ma find a way (Won't you consider me)  
To give you everything (Won't you consider me)  
If you consider me

And any time of day (Won't you consider me)  
I'll be there right away (Won't you consider me)  
Swear it on my grave (Won't you consider me)  
If you consider me

Ooh darling  
Oh yeah  
Won't you consider me
