

## Hold it Down

Allen Stone

Everybody's tellin' me to move  
But when I do  
I always seem to lose  
Not gonna spend my time  
Chasing what is new  
Only to end up  
One step behind you

Ho-oh-oh-oh-old it down  
Hold it down, it's coming back around  
Ho-oh-oh-oh-old it down  
Hold it down, it's coming back around

Everybody tellin' me to jump  
But when I do  
I only seem to fall  
Not gonna waste my time  
Trying to reclaim youth  
Only to end up  
Facing the cold truth

Ho-oh-oh-oh-old it down  
Hold it down, it's coming back around  
Ho-oh-oh-oh-old it down  
Hold it down, it's coming back around  
Ho-oh-oh-oh-old it down  
Just hold it down, it's coming back around  
Ho-oh-oh-oh-old it down  
Hold it down, it's coming back around  
It's coming back around

Ho-oh-oh-oh-old it down

Ho-oh-oh-oh-old it down  
Jus' hold it down, it's coming back around  
Ho-oh-oh-oh-old it down  
Jus' old it down, it's coming back around  
It's coming back around
