

Lay it Down

Allen Stone

Wanna be the first thing you reach for in the morning
And the last thing you put down at night
Want my heart to be the only thing you're chargin'
Search for me frantically when I'm out of sight
Is it too much to ask?
Is it too much to ask?

Lay it down
Lay it down
You can finish with your searchin'
I am waiting to be found
Lay it down
Lay it down
Lay it down

Keep me close enough to fit inside your pocket
Let me see inside the windows to your heart
If you're lookin' for some love, let me unlock it
When you need another chance, we can restart
Is it too much to ask?
Don't let this moment pass

Lay it down
Lay it down
You can finish with your searchin'
I am waiting to be found
Lay it down
Lay it down

Lookin' through the cracks of a faded glass
Waving at the world while your life goes passin' by (wastin' time)
Wake up on the side of reality
Open up your eyes and finally breathe

Lay it down
Lay it down
You can finish with your searchin'
I am waiting to be found
Lay it down
Lay it down
You won't find another version
That will always be around
Lay it down
Lay it down
If there's one thing that is certain
It's in front of you right now
Lay it down
Lay it down
