

Bitch

Allie X

Gonna bake and make your dinner
I'll be your cook
You can bring me home the bacon
And chop the wood

Steal my blood and steal my heart
Whatever it takes to get you off
I'm your bitch
You're my bitch
Boom Boom
In my bones and in my soul
Always be in your control
I'm your bitch you're my bitch
Boom Boom

Give me that stuff that feels so pure
Stamp me with your signature
I'm your bitch
You're my bitch
Boom Boom
We do things a different way
It's up to you and it's up to me
I'm your bitch your my bitch
Boom Boom

Make the bed and do your laundry
Tuck the corners in
Read the news the business section

Steal my blood and steal my heart
Whatever it takes to get you off
I'm your bitch
You're my bitch
Boom Boom
In my bones and in my soul
Always be in your control
I'm your bitch you're my bitch
Boom Boom

Give me that stuff that feels so pure
Stamp me with your signature
I'm your bitch
You're my bitch
Boom Boom
We do things a different way
It's up to you and it's up to me
I'm your bitch your my bitch
Boom Boom
Tell me how it's been
