

# You're A Fool

Allstars

You're a fool if you think you're fooling me  
Alright, Oh yeah  
Whooah, baby baby  
Baby baby, HERE WE GO  
So what's with you is it a guy thing  
Can't show your feelings right  
Can't show your vulnerable side  
It's kinda obvious you like me  
Why try and hide  
What's clearly on your mind

Don't take a genius to make the connection  
No I won't have to phone a friend  
I know the answer to the question  
Boy you might pretend but,

You're a fool if you think you're fooling me  
Play it cool if you wanna, but a girl can see  
Take your time boy, you know eventually  
Gotta give it up, If you want my love  
Whooah, baby baby  
Baby baby, baby baby  
Maybe it's time you got the lowdown  
Right now it's up to you  
I ain't gonna make the first move  
Cut to the chase boy if you know how  
Why can't you be straight up with me?

Whooah baby baby  
Give it up if you want my love  
Whooah baby baby  
Give it up if you want my love  
Gotta give it up if you want my love  
Gotta give it up if you want my love  
If you want my  
You're a fool if you think you're fooling me  
Playing it cool but a girl can see through that  
Don't take a genius to make the connection  
Boy you're a fool
