

# All Love Everything

Aloe Blacc

Ooh-oh, ooh-oh

Is it just me? Or do you think about me like I think about you?  
Is it just me? Or does the world stop spinning when you step in  
to the room?

Cuz I don't need no money when I'm walking with the diamond  
Looking like a million bucks you ain't even trying  
First class high like we flying  
That's how it will be with you and me

It's like all love everything  
I wanna wake up in the morning with a wedding ring  
Doing anything with you is my favorite thing  
Like the sweetest melody that makes my heart sing out loud  
Ooh-oh yeah ooh-oh  
All love everything

Feel so good, like we floating in the ocean in the summer sunsh  
ine  
Feel so good, every kiss is so delicious, it can be the first t  
ime  
With the perfect storm, with the collided  
Some supernatural thunder after lightning  
Even on the That's how it will be with you and me

It's like all love everything  
I wanna wake up in the morning with a wedding ring  
Doing anything with you is my favorite thing  
Like the sweetest melody that makes my heart sing out loud  
Ooh-oh yeah ooh-oh  
All love everything

As long you with me  
I ain't worry about time  
We can spend all day  
This kind of feeling is hard to find

It's like all love everything  
I wanna wake up in the morning with a wedding ring  
Doing anything with you is my favorite thing  
Like the sweetest melody that makes my heart sing out loud  
Ooh-oh yeah ooh-oh  
All love everything
