Dance for the elders
Dance for the children
Dance for the green trees
Dance for the buildings
Dance for the moonlight
Dance for the sunshine
Dance for Mother Earth
Dance for Father Time
Dance for the blue sky
Dance for the falling sky
Dance for the joy
Dance for the all the pain
Dance for the good times
Dance for the bad
Dance for your enemies
Dance for the friends you have
Dance for the summer time
Dance for the fall and spring
Dance for the winter time
Dance for everything

[Refrain] [x2]
Dance for life [x4]

I am the mountain
Will you dance for me?
I am the valley
Will you dance for me?
I am the passing clouds
Will you dance for me?
I am the river
Will you dance for me?
I am the eagle
Will you dance for me?
I am the lone wolf
Will you dance for me?
I am the worker
I am the homeless
I am the teacher
Will you dance for me?

Will you dance for life?

[Refrain] [x2]
Dance for life [x4]
