

I Can't Wait for Christmas

Aloe Blacc

Uh, hey
Uh, hey
Uh, hey
Uh, hey

I can't wait for Christmas
That's a very, very long time
'Cause what I really wanna give to you
Is a big old piece of my mind
Let the beat drop
Hey, I can't wait for Christmas
Hey, I hate waiting

I can't wait for Christmas
That's too many days to go
'Cause there's something that you need to know
And I'm the one who's gonna tell you so
Let the beat drop
Hey, said I can't wait for Christmas
Hey, I can't wait

I can't wait for Christmas
That's just way too far away
You been pop-locking on my last nerve
And I got some words I'm fixing to say
Let the beat drop
Hey, I can't wait for Christmas
Hey, I can't wait

I can't wait for Christmas
Ain't it written all over my face?
You been swimming all in my business
Hold me back, I'm 'bout to catch a case
Let the beat drop
Hey, I can't wait for Christmas
Hey, I can't wait

I can't wait for Christmas
And my mother told me please be good
But you done got me in a funk
I wish a mother-funker would
Let the beat drop
Hey, I can't wait for Christmas
Hey, I can't wait

I can't wait for Christmas
I can't wait for Christmas, no, no, no
I can't wait for Christmas
I can't wait for Christmas, no, no, no
Uh, hey
Uh, hey
Uh, hey
Uh

I can't wait for Christmas
I can't wait for Christmas
I can't wait for Christmas
I can't wait for Christmas
