

Whole World

Aloe Blacc

Music
Breathe

And the whole world
And the whole world
And the whole world reminds me of Nina
And the world is in love with some more
And the whole world reminds me of Carlos
Bossa Nova from Tony Jobim
And the whole world reminds me of Sam Cooke
It's been long but the changes gon' come
And the whole world reminds me of Marvin
Tell me what's going on Mr Gaye

Music
Breathe

Every drug that reminds me of Davis
[?]
Superstitions are making me Wonder
[?]
And the whole world reminds me of Ella
Ella Fitzgerald's heavenly tone
[?]
[?]
And the whole world reminds me of Coltrane
And the whole reminds me of music
And the whole world reminds me of me
And the whole world reminds me of music
And reminds me I'm free
