

# Come Back Jesus

Alpha Blondy

Why they're fighting war  
And I wonder why they're fighting war  
Said I wonder why now  
Why they're fighting war

Oh come back Jesus  
Come back light  
Come back Jesus, my Lord  
Come back love

Oh come back Jesus  
Come back light  
Come back Jesus, Jesus, my Lord  
Come back love

Bring peace and love  
Peace and love  
Jesus, Jesus  
Bring peace and love

Oh my Jesus  
My sweet Je...  
My heart Jesus  
My soul aches for you  
Teardrops coming through

Why they're fighting war  
And I wonder why they're fighting war  
Said I wonder why now  
Why they're fighting war

Oh come back Jesus  
Come back light  
Come back Jesus, my Lord  
Come back love

Then come back Jesus  
Come back light  
Come back Jesus, Jesus, my Lord  
Come back love

Peace and love  
Peace and love now  
Jesus, Jesus  
Bring peace and love

Oh my Je...  
My sweet Jesus  
My heart Jesus  
My soul aches for you  
Teardrops coming through

Love, love, love, love  
We need love  
Sweet Lord now  
We need you

Unity  
That's what the wise man say  
Unity  
That's what the other man say  
And unity  
That's what Jah say

So I wonder why, I wonder why they're fighting war  
So tell me why  
Why they're fighting war  
Can someone tell me why now  
Why they're fighting war

Oh come back Jesus  
Come back love  
Come back Jesus, my Lord  
Come back light

So come back Je-e-e...  
Come back love

Bring peace and love  
Peace and love  
Jesus, Jesus  
Bring peace and love

Oh my Je...  
My sweet Jesus  
My heart Jesus  
My soul aches for you  
Teardrops coming through

You are the mighty one  
You are the mighty one  
You've got to be the mighty one  
You've got to be the mighty one  
You've got to be the mighty one  
You've got... be the one

You are the mighty one  
You are the mighty one  
You've got to be the mighty one  
You've got to be the mighty one
