

# Lassie Come Home

Alphaville

**C** **Ami**  
Lonely boy gazing on the afternoon  
**Emi** **G**  
People drifting cross the surface of the twilight day  
**C** **Ami**  
There's a little yellow man standing by the railway station  
**Emi** **G**  
Painting portraits on the brickwalls of billie holloway

**B**  
Lovely lady smile  
**F** **C** **G** **D**  
Dance, my dear, I'm only operating on Lassie come home  
**Emi** **Ami**  
This was authentic you, she spoke  
**E** **Dmi**  
This was authentic you who blew me cold  
**Ami** **E**  
She had no chance to realize  
**G**  
It hit her straight between the eyes  
**D**  
So I've been told

In the park she's giving out some photographs  
On which she's giving out some photos of what she hands around  
They videoed a ghost tonite, she said before i turned it off  
It rode an orange paper bike and left without a sound

Keep on riding, sir, open up the door  
And shout it out Lassie come home, come home  
This was authentic you, she spoke,  
This was authentic you who blew, who blew me cold  
I had no chance to realize,  
It hit her straight between the eyes,  
So i've been told

Lonely girl dancing in a music hall  
Lightning struck her silver starship and turned it into stone  
And now she's falling all the time into that void beyond her grey eyes  
Somewhere a telephone is ringing but nobody's at home

**B**  
Hello, junkie sweetheart  
**F** **C** **G**  
Listen now, this is your captain calling your captain is dead  
**B**  
Keep on riding, sir,  
**F** **C** **G**  
Open up the door and shout it out, shout it out,  
**D**  
shout it out shout it out  
**B**  
Lassie come home  
**F** **C**  
This is your captain calling we're falling all the time  
**G** **D**

All the time
