

Come On

Alpine

Come on, come on
Kindness seems to be
Gettin' me nowhere
Come on, come on
Kindness seems to be
Gettin' me nowhere

I'm avoiding being by myself
I'm avoiding looking after myself
I'm avoiding selfless love
I can't help myself

Come on, come on
Kindness seems to be
Gettin' me nowhere
Come on, come on
Kindness seems to be
Gettin' me nowhere

(Oh)
In the night
When I cry
Could you hold me tight in your bed?
(Oh)
I'm vulnerable
You are too
Let's lie instead
(Oh)
In my lies
In my lies
In my lies

Come on
I can move my own life
Come on
I can move my own life
Come on (Free me, free me)
I can move my own life (Free me)
Come on (Free me, free me)
I can move my own life (Free me)
