

Icy Poles

Alpine

I ride my bicycle
Around the park
It goes so very far
And the wind in my hair
The wind in my hair
Oh, it sets me free
Oh, it's okay now
Anything is possible

Be kind
My icypole summer

Where do you choose to go now?
Your dreams will show you how now, so never say no

I dance a summer song
After such a pleasant day
Friends will gather here
And the nights are so long
The nights are so long
Oh, it sets me free

Be kind
My icypole summer
Be kind
My icypole summer...
